**Gyro-Trac MESSEK**

5 Ton Payload Multipurpose Carrier

### Compact and Powerful

With its 160 HP diesel engine and 5 ton weight, Messek will provide you with power capable of handling heavy duty jobs with the mobility of small vehicles, all of this transportable on a goose neck trailer!

### Comfortable Cab

The cab layout has the operator reality in mind. Made of steel. Meets SAE ROPS/FOPS. Comes with suspension seat, escape hatch, Air Conditioning and more...

### Hydrostatic Drive

Low Speed High Torque Rexroth motors direct on sprockets. All bearings are sealed and run in oil virtually eliminating maintenance.

### Applications

Can be outfitted with an EXTRA HYDRAULIC PUMP to operate various attachments and implements such as: Reservoirs and Sprayers, Dump Bodies, Aerial Lifts, Backhoes, Digger/Derricks, Bush Hogs, Drills, and more...
